- x We are here to learn, have discussions and give input to the superintendent. Please take information back to each of our schools, share it, and bring back questions or concerns from other parents. Please send a parent surrogate if you are unable to represent your school at a future meeting.

- x [Early Dismissal Schedule for 2017-18](#): We have new school start and end times, an expanded day for high school and a new high school schedule, all of which impact school buses. We recognize the impact on families and are always looking for ways to minimize disruption while improving instruction through staff professional development. Please click here to watch the [K D W ¶ V 8 S G D W H](#) video that explains why our staff value Staff Learning Days (Purple Fridays).
- x Middle school dismissal next school year: Middle schools will dismiss at 3:45 p.m. and buses will arrive between 3:45 p.m. This will allow for parent pickup congestion to be less disruptive for our buses and time for students to connect with staff and socialize. Student supervision will be provided.
- x Budget Planning: A new high school schedule is one of our biggest investments. We are also planning to add counseling to our middle and high schools.
- x Life Skills Elementary and High School Programs: Life Skills is a program that serves students in special education. We currently have a Life Skills program at Carl Cozier, Cordata and Wade, and will be adding this program to Columbia. We also have a program at Sehome and will be adding one at Squaticum.
- x [Attendance Area Update](#): The committee has completed its recommendations that have been approved by the Board of Directors. The committee will continue to meet to work on longer term needs and recommendations.
- x [Facilities Planning Task Force](#): Begins meeting today in preparation for our next bond.
