- 4. got to produce some of the fluid that makes up semen!
- 5. hard or erect.
- 6. - I go from the testes up into the body so I can carry sperm to where it mixes with semen before it leaves the body!
- 7. I hang out in the scrotum and sperm. When do I get a vacation??

# Homework: Sexual and Reproductive Systems of a Person with a Penis Crossword Puzzle

### **ANSWER KEY**

### **ACROSS**

- 4. Think of me as two bottles of energy drink; I produce fluid that gives energy to sperm to get their tails going so they can swim!
- 5. No semen and sperm can leave the body

comes out of the tip of the penis, called G L A

6. pretty sensitive!

### **DOWN**

- 8. I look and work kind of like a sac! Inside, I have the testicles, which makes sperm. Since they have to be made at a temperature lower than 98.6 degrees, I hang outside the body behind the penis
- 9. the body.
- 10. Urine leaves the body through me; sperm-filled semen leaves through me when someone ejaculates or has
- 11. got to produce some of the fluid that makes up semen!
- 12. hard or erect.
- 13. I go from the testes up into the body so I can carry sperm to where it mixes with semen before it leaves the body!
- 14. I hang out in the scrotum and sperm. When do I get a vacation??
