

– adding to the chat would be helpful!

– also in the chat

All those in favor say "I" – no need for chat entry

All those opposed "Nay" – please add to the chat

This could be an understanding of a process

Transparency of what funds will be used for

How staff are selected for specific vocational programs

Acknowledgment there is a plan for improvement

: Say "Nay"

Needs more clarity or further discussion

## Review and approve

Com-Industry partner review of district CTE details, planning, budget and data.

Supporting teachers and programs on all pathways/ mentoring or direction.

Review and provide input on 4-year plan

CLNA – prehensive Local Needs Assessment –  
Federal Requirement

NEEDS APPROVAL
