#### **Student Conduct Guidance Reports on use to date**

##### **High School Document Update:** Marty/Kristen

Marty shared the high school document; The document differentiates between minor and major offenses. Discussion among group members focused on how offenses and referrals are documented in Skyward. Major/Minor infractions; possibly use the labels of chronic or repeated and Major.

Suggestion to go back to the elementary document and streamline/simplify to more closely match this document from high school; move the narrative about Tier 1 practices onto the back of the schematic.

The High School Document conversation will be brought to high school administrators meeting to seek agreement on shared commitment to use this. Question about consequences and how they are determined; what constitutes appropriate action. There is push for more clarity on different strategies that can be used that get results. It was suggested that

process of bringing this issue back to the forefront. Making sure families know that if they call or text

Bellingham High School plans to roll out a reinforcement of the policy starting January 31, 2023; Revisiting, providing feedback and making adjustments on Feb 14, 2023; and then revisit again Mar 27, 2023.
