

**School Based Health Center (SBHC) Planning Task Force  
Meeting Agenda  
Monday, Mar 27  
3:30 p.m. – 5:00 p.m.  
Options High School Classroom 141**

Task Force Goals:

- Conduct a needs assessment on the health care needs of Options students through available data, surveys and community engagement with Options families, students and staff, youth-serving community organizations, health care organizations
- Design a school-based health care center model for Options based on needs assessment findings
- Create a business plan for implementation of a school-based health center at Options High School

Objective(s) for this meeting:

1. Meet and ask questions of a potential health care partner.
2. Review and consider draft recommendations and determine whether recommendations as written are representative of the needs assessment and learning of this group.
