Two years of experience. alignment this year. We aligned all our break spaces, library and cafeteria. We have the same items in all these spaces
Consistency and alignment are what have made my classroom effective. Remember to review; hold expectations high. Something I do every

Something I am curious about. Are we thinking about alignment when we hope to align across the International Baccalaureate (IB) and non-IB schools? What behavior management systems are being used in middle schools?

Next Meeting: January 9, 2024, 4-5:30 p.m.
