

BEA/District Joint Committee on Student Conduct
March 5, 2024
4:0

Questions from committee members:

Q: How is the conversation with parents going?

A: It is awesome when you can get parents on board; it . In some cases, parents can get the same set of tools/activities to use with their child at home.

Q: How often are students getting this support?

A: Support varies from consistent all day long to a couple times a week.

Q: What about the students who are receivers of this behavior?

A: Director of Mental Health Services, Laura Cardinal, offered a perspective on how to integrate earlier learning in Comprehensive Sexual Health Education (CSHE).
